

ADDENDUM

SEPA File No. 04-082602

Description of the original proposal: RAMP-UP Timber Sale #30-076349, and associated Forest Practices #2910352, is a 158-acre regeneration harvest of two units. There are 2,767 feet of required road construction; 14,941 feet of required reconstruction; 4,905 feet of optional construction, of which 1,931 feet will be abandoned, if constructed; and 2,574 feet of optional reconstruction, of which 241 feet will be abandoned.

Description of the addendum:

The timber sale name "Ramp-Up" has been changed to "Watz Ina Name".

Description of existing environmental document: SEPA Checklist, Mitigated Determination of Non-Significance, Final Determination of Non-Significance, Forest Practices Application/Notification #2910352, and HCP Checklist.

Proponent: Washington Department of Natural Resources

Lead Agency:

This addendum is being distributed pursuant to WAC 197-11-600 and 197-11-625. It has been determined that this new information does not substantially change the analysis of significant impacts in the existing environmental document.
